Section VII. Technical Specifications

BACKGROUND AND RATIONALE

The Center for International Trade Expositions and Missions (CITEM), the export promotion arm of the Department of Trade and Industry (DTI), is mandated to promote the Philippines as a reliable source of quality export products and services in the global market through trade fairs, missions and other marketing initiatives. The Agency organizes professionally managed and locally held signature events as well as international trade fair participation in key cities worldwide.

On the other hand, The Office of the Undersecretary for International Economic Relations (OUIER) is principally in-charge with implementing and coordinating the responsibilities and functions of the Department of Foreign Affairs (DFA) relating to trade and investments, tourism, science and technology, the environment and sustainable development, official development cooperation and other related economic/social concerns, particularly those related to issues on women and youth vis-a-vis other countries, in cooperation with all Philippine government agencies concerned and the private sector.

DFA-OUIER reached out to CITEM to collaborate for a project called the “Philippine Export Promotion Package”. The project seeks to put together a selection of Philippine products as promotional bundle to be sent to Philippine Foreign Service Posts (FSPs) and Consulates abroad. FSPs and Embassies shall be given leeway to disseminate their “Philippine Export Promotion Package” to targeted entities which may include their public sector interlocutors, as well as private and business sector networks who may develop potential interest to import Philippine goods. This project also a means for both DTI-CITEM and DFA-OUIER to provide the much-needed boost to select exporters and at the same time maintain good business relations with our networks abroad.

With travel restrictions and social distancing protocols in place due to the COVID-19, DTI-CITEM and DFA-OUIER is actively looking for alternative ways to sustain its export promotion initiatives and stay connected with its stakeholders. Apart from going digital and online, both DTI-CITEM and DFA-OUIER share the same aspiration of adding a personal flavor and warmth in maintaining their connections through the “Philippine Export Promotion Package”.

Part of this collaborative project is to promote Filipino culture and Philippine food, home and lifestyle export products. To achieve this, CITEM seeks to hire a Consolidator who will closely coordinate and adhere to the instructions and specifications set by the Content & Narrative Curator.

The consolidator will (1) Purchase the specified products/contents (brand, size, quantity, etc.); (2) Assemble the products in the specially designed boxes following the set guidelines and arrangements; (3) Arrange the shipment of the Philippine Export Package to the identified FSPs and Embassies.

For this collaborative project, DTI-CITEM and DFA-OUIER agreed to anchor the theme of the narrative and the selection of products on the **2021 Quincentennial Commemorations in the Philippines**.

2021 QUINCENTENNIAL COMMEMORATIONS IN THE PHILIPPINES.

National Quincentennial Committee states:

On 21 December 2018, the Philippines officially joined humankind and the scientific community in initiating the commemorations for the 500th anniversary of the first circumnavigation of the world (2019-2022). Executive Secretary Salvador Medialdea led a simple launching graced by Spanish Ambassador to the Philippines Jorge Moragas at the National Historical Commission of the Philippines (NHCP), Manila. The basis of the Philippine observance of the great milestone in world history is the Executive Order No. 55, s. 2018 issued by President Rodrigo Roa Duterte on 8 May 2018. The issuance also created the National Quincentennial Committee (NQC) tasked to consolidate the government efforts for the milestone and thus prepare the country for it. It is chaired by no less than the Executive Secretary.

On 27 January 2020, President Duterte issued Executive Order No. 103, s. 2020 which branded the local observance as the 2021 Quincentennial Commemorations in the Philippines (2021 QCP). The two presidential issuances complement each other. Whereas, the latest issuance makes the quincentennial closer to the Filipino by acknowledging the Philippines' role in that unprecedented achievement of humankind and science, anchored in the magnanimity our ancestors exhibited to the sick, starving, undernourished, and dehydrated crew of the Magellan-Elcano expedition upon their first meeting on 18 March 1521 at Homonhon (now under the jurisdiction of Guiuan, Eastern Samar). This display of humanity occurred again when Manila welcomed the Japanese Christians banished out of Japan in the early 17th century, as well as in the Open-Door policy of President Manuel Quezon which enabled the then Philippine Commonwealth to rescue more than a thousand Jewish refugees from the Nazis in 1939, and other waves of refugees in the 20th century. Another icon to turn 500 years in 2021 is Lapulapu, who has continuously captured the Filipino imagination—since the time of the founders of the Filipino nation in the 19th century—of what defines bravery, freedom, and independence. From these, the 2021 QCP theme Victory and Humanity was conceived.

Meanwhile, the Philippine government commits itself in fostering the academic, historical, and cultural aspects of Ferdinand Magellan's introduction of Christianity in the Philippines in 1521. The NQC is working hand in hand with the Catholic Bishops' Conference of the Philippines (CBCP), the Augustinian Province of the Santo Niño de Cebu, the Archdiocese of Cebu, and Diocese of Maasin, along with the local governments of Cebu City, Municipality of Limasawa, and Province of Southern Leyte on the conduct of collaborative academic, historical, and cultural activities in relation to the 500 Years of Christianity.

Bidders must state here either “Comply” or “Not Comply” against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered. Statements of “Comply” or “Not Comply” must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer’s un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidder’s statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the applicable laws and issuances.
