## TERMS OF REFERENCE

### FOR THE HIRING OF PROFESSIONAL PHOTOGRAPHY AND VIDEOGRAPHY SERVICE PROVIDER FOR PAGSIBOL 2023 AT THE NATIONAL MUSEUM OF NATURAL HISTORY

#### BACKGROUND

With our 40th Anniversary this year and three years after the lockdowns, we are set to make a physical comeback to the trade show floor on 19-21 October 2023 at the World Trade Center better than ever.

The Manila FAME has been the Philippines' premier trade show for quality home, fashion, and lifestyle products. Since 1983, it has been supporting and showcasing Philippine MSMEs and artisan communities from the home, fashion and lifestyle sectors through various capacity-building efforts, collaborations with international design figures, and networking activities with buyers from around the world.

Manila FAME tells the stories of the Filipino artisans – how they utilize natural and indigenous raw materials to create products of ingenious design and craftsmanship. It continues to set the bar for creativity and craftsmanship. The Philippines remains a hub for design which attracts buyers of special lifestyle items and the contract market.

In line with the celebration of our 40th year since inception, the return of the 3-day event will have the familiar features of the physical show including the Design Commune Special Setting, Katha awards and an enhanced Networking night that includes branded as PAGSIBOL: A Gala Night Celebrating Filipino Design Excellence.

This PAGSIBOL event (includes Welcome Reception, Katha Awards, Fashion Show: Manila Carnival Queen, Bagong Anyo) requires a full photography and videography coverage for the following purposes:

- Photo and Video Documentation
- Production of marketing and promotional materials (brochures, postcards, banners, billboards, posters, e-cards, etc.) for distribution to foreign and local buyers, Philippine Trade Posts and Embassies, as well as local foreign embassies, etc.;
- Public relations including publicity and advertisements (press/photo releases, ad copies for local and international broadsheets and magazines both in print and digital formats); and
- Online and social media publicity (social media accounts of CITEM and/or Manila FAME).

#### RATIONALE

As we celebrate the 40th anniversary of the Manila FAME, we want to reminisce our past successes and triumphs to celebrate this momentous occasion by bringing back the Manila Carnival Queen, an annual carnival/festival held in Manila during the American Period that showcases commercial, industrial and agricultural progress of the Philippines.

We are envisioning a modern Manila Carnival Queen which will focus on Filipino design excellence. Instead of culturally appropriating the beauty and flesh of our models, **we would maximize on promoting our products being premier and globally competitive.** This show will highlight not only how beautiful our culture and people are but how beautiful and grand we make our products in our country.

In order to effectively showcase a wide and diverse range of products, brands and activities, a dedicated team capable of providing a full photo and video event coverage is needed. However, CITEM's Communications and Creative Services Department (CCSD) cannot provide the required production team and professional equipment to effectively deliver the quality and quantity of outputs. With these limitations, there is a need to source for a Photography and Videography Service Provider to support CITEM in its content creation and promotional efforts.
